This **Class Roster** shows how easy it is to create a Class Roster of **Internet & Intranet** Emails!

Another point the Class Roster is making is that an **Address Book** is a **Mailing List & Contacts!**

Note the (2) **Distribution (Mailing) Lists** below are easily created to **copy & paste** into an Email!

Attachment Formats: **MSO 2003 (doc/htm)**, **MSO 2007 (docx/mht)**, **Portable Document Format (PDF)**
