

@ Directions for creating a Curriculum Web Page @ Print Out these Directions @

First: Examples of Curriculum Pages by Teachers at **Top** of www.itws.org Click: [TMT](#)

Second: View examples of BGs & AGifs: Carefully, write down name & extension!
Select (2) backgrounds & Select (2) images!

<http://www.itws.org/BGs.htm> AGs & BGs at **bottom** of www.itws.org <http://www.itws.org/AGs.htm>

A selection of Curriculum links **needs** to be acquired!

Using MS Explorer do a Google Search for a **Curriculum Topic** of your choice!

Suggested topics: ES Math or MS Science or HS Social Studies or ES Language Arts

Investigate the results of search and decide on (4) **maybe** (6) good web sites
to be used later for your Curriculum Web Page!

Mark these web sites as **Favorites** for quick access later! **or** Copy **URL** to a **blank MS Word!**

Access **SeaMonkey Composer** at bottom www.itws.org Download and install from Desktop!

After installation, an **Icon** will appear at **Desktop!** At top of **SeaMonkey** webpage,
Click **Windows** **then** Click **Composer!**

Carefully preview webpage template **below** **then**

Type **All Words / Lines exactly** as in template Left Justified! **Center Justify later!**

At end of each typed line **press** **Enter Button!** After typing All Words as shown
(Not Pink Words): **Carefully, Check Spelling!**

1. All typing done! **Hold Down Ctrl Key & Hit Letter A (A=All).**

Click Center Justify at top of page. **Click white area to Deselect.**

2. Hold Down **Ctrl Key & Hit the Letter A (A=All).**

Click **Format** **then** **Text Color** **then** **Click Dark Color** **then** **Click OK!**

Dark Color Text is for easy reading with Light Background!

No Dark Blue Text, Why? **Click white area to Deselect.**

3. Select **Descriptive Words** in Draft &

Change Descriptivewords to each Curriculum web page selected & stored for later use!

Select these **NEW words!** At top Click **Link /Chain Symbol**

then **Copy & Paste URL** from stored location **or** **Favorite!**

Click OK! **Click white area to Deselect.** **Continue** changing

ALL Descriptive Words **to** **Appropriate Words** **then** **creating Links!**

4. Single Click **center of Graphic Area** **then** at **top of page** Click **Format**

then **PageColors&Backgrounds** **then** type **URL** for Background.

BG link => <http://www.itws.org/>_____.

fill in blanks for **BG name & extension** selected at start of activity! **Use Only (1) BG!**

Using Absolute Links: **Server & Image** allows for Web Pages to be shared with others!

After typing in URL for **Background** **image must appear**

in a big region right side of window for **PageColors&Backgrounds!**

5. Single Click center of Graphic Area **then** at top of page
Click Insert **then** Image **then** type URL for Image! At **Alert** click **OK!**
then put check in **Circle** in front of **Don't Use Alternate Text.**
If image needs resized SingleClick it. Click & Drag bottom a corner.

Image link => <http://www.itws.org/>_____ fill in blanks for image
Name & extension selected at start of activity! **Use Only (1)!**
Using Absolute Links: Server & Image allows for Web Pages to be shared with others!

After typing in URL for Gif Image
it **must appear** in a **big region** right side of window for **Insert Image Properties!**

6. To Save WebPage: At Top Click **File** **then** **Save As** **then** type **wpfl** fl =First&Last Name
Save Web Page on **Desktop** for access later. **Send to an Classmate to check it works!**

Use a Flash Drive **which is** latest & easiest storage **device for PCs to save files!**

Welcome to my Curriculum Page

#####

DO NOT Type these Words! Blank Graphic Area!

Hit Enter Key (7) times to create this blank area!

#####

Change Descriptive Words!
Change Descriptive Words! See example Below!
