EXTENSION LIST
2010 – 2011**

(revised March 2011)

INSTRUCTIONS FOR PRINTING

This phone extension directory is a folded booklet that you can print for your own use.

To produce a folded booklet, you must have a printer that can do duplex (both sides of the paper) printing or the ability to print one side and then print the other side. For example, you print pages 1 and 4, and then turn the paper over and print pages 2 and 3 on the reverse side.
