

Unit 1 Related WWW Site Investigations

Reference & Communication * Related assignments are useful for classroom teachers, along with their students, to encourage using 21st Century Internet investigative skills!

Online WWW assignments are due on the last day of the assigned week.

Reflections on web sites are to be submitted via eCollege course drop box as attachments!

WWW investigations of Related sites should supplement lecture and reading content.

Investigation comments must be on initial site content & on a web site off the initial site!

In each chapter, Related WWW sites are provided for preview then detailed investigation.

After previewing both categories select only 2 sites to be summarized & submitted.

Submission of Related sites: Create a MS Word page with (2) paragraphs of 8-10 sentences, one paragraph for each of the (2) Related sites selected from below to be submitted.

Carefully describe significant content for both investigated sites, include WWW site names.

Do not submit a bad review of a site! It only shows you did not consider all of the sites!

Think of future students while completing this assignment and integrating technology!

Save summary for resubmission, maybe use USB drive and check spelling & grammar!

Required Title for Assignment: Unit 1 Related WWW Sites, First & Last Name
