iBerostar has **doubled** in 8 years at [Playa de Carmen, Mexico](#). **Relatively Inexpensive!** I took a few pictures **but** when I put them in a PP the PowerPoint was just too big to Email... Photo below is a postcard **giving an overview** of the joining (4) resorts & pools! **Now (5)!** **The iBerostar Complex** is located about an hour south of Cancun... **Quiet & Relaxing.** iBerostar Resorts on below photo are "**Right to Left**" **Del Mar, Beach, Lindo, Maya.**

Starting on the Far Right, is **Del Mar Resort** then a swimming pool (Very Long) **then Beach Resort then Lindo Resort** (we stayed twice) **then** long swimming pool **then Maya Resort.** Del Mar & Beach share a pool.. Lindo & Maya also share a pool. If you stay at the **Lindo or Maya** you have privileges at ALL resorts... **Nice Benefit!**

Mary and I have vacationed at **iBerostar 5 times.** Del Mar & Beach & Lindo & Maya. We have stayed at [Grand Xcaret](#) just up the road and [Puerto Vallarta](#) on West Coast too.

At the top of the picture is the **access road** from Cancun **and** at the bottom of the picture are the **joining beaches** with many small Straw Cabanas with Lounge Chairs. **The iBerostar Complex** is about **2 miles wide & 1 mile deep... Lots of Healthy walking!**
